New City Website Eastcamdenar.gov

Be sure to check out our city's new website, which is currently under construction! We're excited to provide residents with a convenient place to find helpful information about our community. The website will include: Community Information (resources for new residents, area businesses, churches, schools, recreation opportunities, and community events); Meeting Information (agendas and minutes from our regular monthly City Council meetings); City Ordinances (easy access to ordinances covering animals, buildings, businesses, city government, district court, firemen, neighborhoods, property, sanitation, streets, taxes, zoning, and more); and City Staff (information about city employees, elected officials, and our fire department). In addition to serving our residents, the website will be an important tool for promoting East Camden beyond our community. We hope to showcase what our city has to offer to potential new residents, businesses, developers, and others who may be interested in investing in East Camden. Our goal is to make city information more accessible, improve communication, and help promote East Camden as a great place to live, work, do business, and grow! Check it out at Eastcamdenar.gov

New City Facebook Page

Be sure to check out our city's new Facebook Page, **City of East Camden!** It will provide residents with a quick and convenient way to receive important city announcements, emergency updates, community event information and other timely news. Using Facebook allows us to communicate with residents quickly and efficiently while also reducing the costs associated with printing and postage. Our Facebook page will focus on timely, up-to-date communication, while our city website will serve as a permanent resource for important city information, documents, ordinances, meeting information and community resources. Together these two platforms will help us improve communication, keep residents informed, reduce expenses and better serve our community.

Upcoming Event

****Fall City Wide Garage Sale Oct 3rd****

Something new is coming to East Camden! 

Mark your calendars for our Fall City Wide Garage Sale on Saturday, October 3, 2026! With cooler fall temperatures, we hope to see garage sales throughout our community. This is the perfect opportunity for East Camden residents to clean out unwanted items, clear out those closets, and put some extra cash in their pockets! The City will advertise and promote the event—all you need to do is contact City Hall (870) 574-2900 with your address to register your sale. There is no charge for East Camden residents holding a sale at their home. Not an East Camden resident? Large sale spaces will be available for nonresidents for just \$10. We encourage our residents to join in and help make our first Fall City Wide Garage Sale a great community event! Be sure to follow the City of East Camden Facebook page for updates and additional information as we get closer to the event.

Chip Holifield appointed as Alderman

The City of East Camden is pleased to announce the appointment of Chip Holifield to the East Camden City Council, representing Ward 2. A resident of East Camden for more than 40 years, Chip brings a strong understanding of our community and the needs of its residents. His long history of public service includes serving with the East Camden Fire Department, as Director of Parks & Recreation, and as a board member of the Harmony Grove School District. Chip will fill the unexpired term of former Alderman Jana Garcia, who resigned from the City Council after moving outside the East Camden city limits. Chip's experience, dedication, and commitment to our community will be a valuable asset to the City Council. We are pleased to welcome him and look forward to working together as we continue serving and improving our city.

Fire Department News

The East Camden Volunteer Fire Department will be holding a lunch during the Fall City Wide Garage Sale on Saturday, October 3, 2026. While you're out shopping all the great garage sales, be sure to stop by the East Camden Fire Station at 100 North Womble and enjoy lunch with us! Your support helps the fire department continue serving our community. Come shop, grab some lunch and support our local firefighters! We appreciate your continued support of the ECFD!
